

CUA DAI – HOI AN COASTAL VILLA PARK

Situated at the center of Hoi An ancient town about 5km to the east, this villa park's location is very convenient on the corridor route of Da Nang – Hoi An – My Son and beautiful natural landscapes. It has the view of Cua Dai Beach at the front and romantic De Vong river behind. The project is located adjacent to many 5 Star hotels, resorts and large-scale ecological tourism area.

Cua Dai Beach Villas are built according to following criterions: “Green – clean – beautiful – bright” with modern style but still retain the natural landscape and ecological features of urban architecture and ancient traditions of Hoi An. This is an ideal place for residence in the beloved VietNam.

The project is for selling land.
